| Community in Need: | Mattoon, Illinois |
| Part of State: | East Central Illinois |
| Community Profile: | <p>Centrally located in Mattoon, Sarah Bush Lincoln Health Center is a 128-bed, community hospital in East Central Illinois - 180 miles south of Chicago and 130 miles east of St. Louis.</p> <p>The Health Center provides a full range of acute-care, general services and home health services to approximately 357,000 residents of Coles and the surroundings 12 counties. The Health Center's active and consulting medical staff includes nearly 200 providers representing multiple specialties.</p> <p>A strong employed physician base means built-in referrals and excellent collaboration on patient care. In a recent survey, SBL ranked in the 95th percentile in employee engagement and in the 91st percentile in physician satisfaction. We've got something special here and our culture is at the heart of it all.</p> <p>Most employees enjoy a commute of less than 15 minutes which makes a great work/life balance. The cities offer a small town feel while offering larger city amenities such as shopping, family activities, cultural activities and leisure. Mattoon-Charleston is home to Eastern Illinois University, Lake Land Community College and Fox Ridge State Park. We also boast the first ever Jimmy John's store, THE Burger King, Lender's Bagels factory and several famous EIU alumni. With safe communities, outdoor activities, community events and easy access to metro areas this is a great place to raise a family.</p> |
| Practice name: | SBL Psychiatry and Counseling |

Practice Profile:

Sarah Bush Lincoln Health Center is seeking a BC/BE Adult Outpatient Psychiatrist to join an existing clinic. The clinic currently employs one outpatient adult psychiatrist, one outpatient child and adolescent psychiatrist, two inpatient adult psychiatrists, two outpatient nurse practitioners as well as clinical social workers and counselors. The psychiatry clinic is located on the hospital campus with the inpatient unit in the nearby hospital building.

The high demand for psychiatry services means you can be as busy as you want to be from the start. Enjoy a great work-life balance with no call and no inpatient responsibilities.

This is a hospital-employed position with a progressive and financially secure Health System. Find your work/life balance with a family-centered community. Join a strong team of employed physicians who offer a direct source for referrals and specialties.

The SBLHC culture is one you'll not find elsewhere with employee accountability and pride in our organization. You have to see this for yourself!
